

Technical Specification Supplement

POWER SUPPLY 24 V, OPEN END

Order Number
2200000958

Document Number: DG002339
Version: 01 Language: 000 (English)
Release Date: 4 March 2021

Order Number	Description	Applicable Products
2200000958	Power supply 24 VDC with open-ended cable	Basler Camera Lights

This product is a customized version of the Globtek power supply with model number GT-46400-4024-T3. Instead of being terminated with an output connector, the output cable is open-ended. A shrink tube has been placed over the end of the cable jacket and the wires for protection.

Type	Desktop/External	
Technology	Regulated switch mode AC/DC power supply AC adapter	
DC Output Connector	Open-ended cable Red wire: 24 VDC Black wire: GND	
AC Input Connector	IEC 60320 C14 (mates with IEC 60320 C13 plug)	
AC Input	Voltage Range	100–240 VAC
	Current	1.0 A
	Frequency Range	50–60 Hz
Power	40 W	
DC Output	Voltage	24 VDC
	Current	1.66 A
Ingress Protection	IPX0	
Conformity	CE, UL, PSE, EAC
